Karina Aryan

Frontend Developer — React.js — Next.js — React Native

Ahmedabad, India — +91 9499660032 — karinaaryan5@gmail.com — LinkedIn — GitHub

Professional Summary

Frontend-focused Software Engineer with 3+ years of experience building responsive, scalable web and mobile applications using **React.js, Next.js, React Native, TypeScript, and JavaScript**. Skilled in reusable component architecture, state management (Redux, Zustand), REST and GraphQL API integration, server-side rendering, and performance optimization. Experienced leading feature development end-to-end and collaborating directly with clients in Agile environments, with additional exposure to Node.js, backend integration, and AI-powered application development.

Technical Skills

Frontend: React.js, Next.js, React Native, JavaScript, TypeScript, HTML5, CSS3, Redux, Zustand, Context API
UI / Styling: Tailwind CSS, Material UI (MUI), Responsive Web Design, Reusable Component Architecture
APIs / Integration: REST APIs, GraphQL, Stripe API, Firebase, Gemini API, ElevenLabs API
Backend / Database: Node.js, Express.js, MongoDB, MySQL
Tools / Practices: Git, GitHub, GitLab, Source Tree, Agile Development, Problem-Solving, Data Structures & Algorithms

Professional Experience

Freelance Developer Jun 2026 – Present
React.js, Node.js — Ahmedabad

- Developing a full-scale e-commerce web application for retail and wholesale businesses, including a dedicated admin panel for managing products, orders, customers, inventory, and overall business operations.

React/Next Developer Mar 2026 – Jun 2026
Samcom Technobrains — Ahmedabad

- Developed and maintained enterprise web applications using **React.js, Next.js, Tailwind CSS, Zustand, and GraphQL**.
- Built responsive, accessible user interfaces and integrated APIs while optimizing application performance.
- Collaborated closely with clients and the development team in an Agile environment.

Lead Developer Jan 2023 – Mar 2026
Tristate Technology LLP — Ahmedabad

- Led development of web and mobile applications using **React.js, React Native, TypeScript, and Redux**, delivering user-friendly, high-performing, and responsive products.
- Built reusable components and managed application state effectively for seamless user experiences across platforms.
- Optimized performance, debugged complex issues, and maintained clean, scalable codebases.

Web Development Intern Jun 2022 – Aug 2022
Ahmedabad

- Completed an internship covering HTML, CSS, JavaScript, and PHP fundamentals.
- Built a responsive website project, contributing to page layout, UI enhancements, and cross-browser consistency.

Projects

Rebaja *Next.js (SSR)*

- Built a loan/property management platform with reusable, accessible UI components and server-side rendering to improve performance and perceived load times.
- Collaborated with clients daily to refine requirements, prioritize features, and ensure on-time delivery.

AI Chatbot *Next.js, Gemini API, ElevenLabs API*

- Built an AI chatbot with real-time voice responses and a 3D avatar that synchronized speech and animations based on AI-generated replies.

Eolas Flexicollect *React Native, React.js*

- Managed the full project lifecycle across a mobile app, web app, and admin panel.
- Designed and built the React Native application features and the React.js admin panel for a seamless end-to-end experience.

Closswap *Next.js, Stripe*

- Built the web app UI for browsing event details and locations, joining events, and completing payments via Stripe integration.

Connecta Solutions *Next.js, Tailwind CSS, Stripe*

- Developed a responsive, server-side rendered website with Stripe API integration on the backend.

Travel Bee *React Native, Firebase*

- Built a travel app for creating trips, setting map markers, and reserving dates, backed by Firebase APIs.

Canadian Migraine Tracker *React Native*

- Built tracking for past preventative treatment trials and generated medication summary reports.

Education

Bachelor of Engineering 2019 – 2023
GEC Modasa, Modasa, India

HSC Apr 2018 – Mar 2019
Uma Vidhyalaya, Himmatnagar, India
